

Alamance Artisans
Meeting Minutes
March 17, 2026

Alamance Artisans met at Captain White House on March 16. Jan Holloman presided. Anita introduced Bonnie Jones who is doing the social media for the Marshall Muse shows.

The minutes of the February meeting were approved with one edit. The treasurer's report was accepted.

Deb Barnett reported that there are still spaces available to display on the affiliate shelves at Captain White House. Three artists are needed each time. If you want to sign up or have questions, contact Donna Vitucci.

Social media posts are coming out for the April show at The Marshall Muse Gallery. Please like and share all of the posts. Follow Alamance Artisans which is our public page. Gallery space at Marshall is available right now for 2027 but we have to make a commitment soon as they are filling up fast.

We have a show scheduled at Center for Creative Leadership in April 2027.

Jan encouraged everybody to go to the Double Vision show at Burlington Artists League. Several of our members are participating in this fun event.

Beth reported that all spaces for Harrison's are filled.

Jan reported that Steven Durland who was one of the founding members of the guild, has passed away.

Jan presented a fun program about coffee mugs.

The next meeting will be April 21.

Respectfully submitted,
Anita Vigorito
Secretary
