

Alamance Artisans
Meeting Minutes
June 16, 2026

Anita Vigorito presided and presented the program. The minutes of the May meeting were approved. The Treasurer's Report was approved. Our checking account balance is \$9669.27. Martha reported that Marshall Muse had sent a check covering just 25% of sales from the April show. We should have gotten 75%. That error has been corrected and a correct check received. Martha will send the artists their checks this week.

Deb reported on events. She contacted Kat Harris at Alamance Arts to get directives regarding the affiliate shelves. The one shelving unit in the alcove and the wall above them are for affiliates to use. Artists interested in displaying their work should contact Deb Barnett and she will refer them to Kat. The artist will thereafter make direct contact with Kat regarding the inventory of items and contract.

Alamance Arts has issued a call for artists for an exhibit in August, The Art of America. If interested contact Kat Harris. The exhibit for military members and vets and their families is opening June 30.

The guild needs to decide if it wants to pursue a show at Marshall Muse in 2027.

We are in need of an affiliate representative to the Alamance Art Board.

Reminder that there is no July meeting. The August meeting is the potluck.

Anita presented Sheep and Caterpillars and the group made a piece of silk fusion.

Respectfully submitted,

Anita Vigorito
Secretary
